Don Moses Not To Run

After a week marked by considerable political discussion, a spirit of quiet prevails in Appomattox. The development of interest in the announcement by Don Moses, chairman of the board of supervisors, that he would not be a candidate for county treasurer, against the incumbent, R. L. Burke. This announcement followed and was announced by H. S. Wheeler, who stated that he would be a candidate for the position. The following two announcements were issued:

No other opposition for the incumbent officers has been announced. In the meantime there continues considerable demand that Mrs. S. Ferguson exercise a ladies' prerogative and change her mind and decide to accept the state senatorship from this district without opposition.

Last week she stated that she would not run, and no other candidates has yet announced. The following two announcements were issued:

Notice to the voters of Appomattox county: I wish to state that I have withdrawn from the race for treasurer of Appomattox county. I did this at the solicitation of mutual friends, and in the interest of harmony in the party and the welfare of the county. I sincerely appreciate to the multitude of friends who have so kindly offered me their support.

Respectfully,
Don Moses.

I desire to announce my candidacy for Appomattox county, subject to the Democratic primary in August. If elected I pledge my utmost efforts for the best interest of this district, and I respectfully,
B. L. Wheeler.

Meeting On Compulsory Grading Bill Held Here Tuesday Night

A tobacco meeting was held at the court house here Tuesday night, March 19, to discuss a bill now in Congress, concerning the availability of compulsory grading of tobacco. The meeting was called to order by C. T. Moses, the first speaker, who said that the bill was a secret ballot as to whether or not they wanted their tobacco graded. Col. Flood, chairman, then spoke of the bill and also against a referendum. Messrs. Green, Pierce, Odor, Clarence Moore, S. E. Anderson and C. M. Morton all spoke in favor of the bill. The opponents of the bill were then heard. The first speaker was Mott Robertson, who was against compulsory grading and in favor of referendum. He stated that he did not speak against this bill as a warehouseman, for he did think the majority of farmers would have a way of expressing themselves in a secret ballot as to whether or not they wanted their tobacco graded.
